

A close-up photograph of two hands, one from a lighter-skinned person and one from a darker-skinned person, gently holding each other. The hands are positioned in the center of the frame, with the fingers interlaced. The background is a soft-focus field of tall green grass under a bright, hazy sky. The text "Hands are for holding and helping" is written in a large, black, handwritten-style font across the top half of the image, and "not hitting." is written in the same style across the bottom right.

Hands are for holding
and helping

not hitting.
