Request For Proposals
Regarding Update to
Facilities Master Planning Services

The Ripon Unified School District ("District") is soliciting proposals from experienced firms that can help with the planning, development, and related work associated with a Long-Range Facilities Master Plan ("Facilities Master Plan").

The purpose of this Request for Proposals ("RFP") is to obtain information that will enable the District to select an ideal candidate that can effectively partner with the District to perform various components of an updated Facilities Master Plan. Each firm responding to this RFP should be prepared and equipped to provide complete and detailed updated Facilities Master Planning services on behalf of the District in an expeditious and timely manner and enable the District to meet critical time deadlines and schedules.

If your firm is interested in providing updated Facilities Master Planning services for or on behalf of the District, please submit a detailed summary of your firm’s qualifications in accordance with this RFP. The deadline for receipt of PROPOSAL is 2:00 PM on April 17, 2020 ("Response Deadline"). Note that proposals delivered after the Response Deadline may not be considered. A minimum of five (5) hard copies and one (1) electronic copy on a CD or flash drive in PDF format of your proposal should be submitted to:

Frank Jerome
Chief Business Officer
Ripon Unified School District
Fjerome@riponusd.net

All submittals will become the property of the District. Information in the proposals will become public property and subject to disclosure laws. The District reserves the right to make use of any information or ideas in the proposals, reject any or all applicants, and to waive any irregularities or informalities in the RFP and RFP process. All costs associated with the preparation or submissions of qualifications, for this RFP are solely the responsibility of the candidates.

In order for the District to make an informed decision regarding selecting a firm among responsible and responsive candidates, your proposal must contain the following described elements or evidence that the candidate meets or exceeds the requirements stated here to in this RFP.
1. SCOPE OF SERVICES

1.1 Assemble and Meet with Facilities Master Planning Committee ("FMPC")

This task involves meeting with appropriate team members on the FMPC to obtain critical information on the existing facilities and conditions assessment. The FMPC shall meet throughout the Facilities Master Plan process. Participants in the FMPC might include members from the following groups:

- Parent Advisory Committee and School District Principals
- Facilities Committee
- Board of Trustees
- Superintendent’s Cabinet
- School District Staff

1.2 Community Outreach

In light of the significant community interest in the Facilities Master Plan process, this task involves the selected firm assisting with Community Input Forums allowing the community to weigh in on the Facilities Master Plan process. Community Input Forums will be held to provide community members information and seek feedback from them on facility needs.

Meeting frequency will be determined by the District; however, the firm will be responsible for the coordination and facilitation of the meeting(s).

1.3 Develop Conditions (Needs) Assessments

1.3.1 Evaluation of Current School District Facilities

This task involves the firm completing an evaluation of all of the School District’s existing sites and their condition to understand the basis for growth/reduction at each site based upon the direction of the curriculum as defined in the Educational Specifications. The District’s most recent master plan was created in 2015. Although projects and modifications District-wide have been completed since the Master Plan was written.

We are asking the firm to update our master plan using the prior facilities master plans that were created previously. The firm will evaluate each site comparing with our most recent master plan, determine areas for possible growth/expansion/consolidation, the context of the schools, the visual definition of the campus and how the outdoor spaces function together. Once this overall diagrammatic evaluation of the existing facilities has been completed, the firm would begin to develop the schematic level Facilities Master Plan by utilizing statistical data and curriculum direction that we have already gathered to form a basis for the determination of the needs of each campus.

1.3.2 Develop Future Facilities Needs and Alternatives

This task involves the firm assisting with prioritizing needs of the School District, exploring community and joint use needs, updating and preparing individual site Facilities Master Plans, providing recommendations for energy savings, incorporating deferred maintenance needs into each campus, facilitating and documenting FMPC input and assembling all material for the FMPC.
1.4 Educational and Maintenance Specifications
This task involves the firm assisting with updating and/or establishing new Educational Specifications to reflect the District’s facilities standards and educational goals. The firm will also assist the District with updates to the Strategic Plan (as needed), develop Equalization Standards, Sustainable Construction Guidelines, Maintenance and Operations Standards, and IT Standards.

1.5 Preparation of a Final Digital Updated Facilities Master Plan
This task involves the firm assisting with the preparation of a final digital updated Facilities Master Plan (in Adobe PDF format) that can be uploaded to the School District’s website and can be easily accessed by the School District’s constituents.

1.6 Facilitation of the FMPC Presentation
This task involves the firm assisting with the facilitation of FMPC presentation/discussion of findings and recommendations to the Governing Board in a Board workshop setting.

1.7 Presentation to the Governing Board
After receiving feedback from the FMPC presentation described in 1.6, the firm will assist with presentation of the draft updated Facilities Master Plan (including estimates, schedules, and possible funding scenarios) to the Governing Board for feedback prior to finalization and approval by the Board.

2.5. Ripon Unified School District Vision

Our Vision

The Ripon Unified School District is committed to offering the highest quality education in the San Joaquin Valley. We provide a safe, positive, and stimulating environment where students are our first priority. Our district has state-of-the-art facilities that exemplify pride of ownership. Technology is cutting edge and abundant in all areas of the curriculum. It is accessible to students and staff both at school and at home, keeping the district competitive. We recognize that mutually beneficial relationships are essential between the district and community. Our children enjoy coming to school.

Our Mission

The Ripon Unified School District is committed to working together with parents and the community to provide a high quality education. The district will create a safe learning environment characterized by trust and respect. We ensure that each student will be a contributing citizen in an ever changing diverse and global society.

The 2019-1920 Ripon Unified School District Local Control Accountability Plan (LCAP) was approved at the Board Meeting on June 24, 2019. The Ripon Unified School District LCAP includes required state priorities that are embedded in the following five goals:

• Goal 1: Provide a broad curriculum based on the Common Core State Standards (CCSS) that has evidence of rigor, relevance and relationships that produce students who are college and career ready.

• Goal 2: Maintain a Multi-Tiered System of Supports (MTSS) program that meets the needs of students across the district and accelerate the growth of all students, including our underperforming student groups in all areas.
• Goal 3: English learner academic growth demonstrates closing of the achievement gap.

• Goal 4: Involve all stakeholders in strengthening learning environments that are effective, engaging and safe.

• Goal 5: Provide an educational program with support services, including staffing and operations.

2.6. Project Team Summary
Identification of the firm’s project team and their specific expertise, experience, and resources to ensure suitable services. Indicate key team members, years with the firm, resumes, and California Registration Numbers, as applicable.

2.7. Fees
Provide your fee schedule. If you plan to propose charging any costs for additional services, describe the types of costs to be covered and a proposed fee schedule. Be sure to include overhead and other special charges.

Provide a comprehensive five-year summary of the firm’s litigation, arbitration and negotiated/settled

2.9. Insurance
Provide proof of coverage for the types and amounts of insurance carried by the firm, including CGL, automobile liability, Workers Compensation, and Professional Liability Coverage. Minimum limits of insurance required by the District for consultant and sub-consultants are as follows:

• Commercial General Liability Insurance (CGL) with a combined single limit of not less than $1,000,000 each occurrence/$1,000,000 in the annual aggregate.

• Business Automobile Liability Insurance with a combined single limit of not less than $1,000,000 each accident.

• Professional Liability (Errors & Omissions) Insurance with a limit not less than $1,000,000 each occurrence/$2,000,000 in the annual aggregate.

• Workers’ Compensation Insurance as required by the State of California.

3. CRITERIA FOR SELECTING PRE-QUALIFIED CONSULTANTS
Although not necessarily exhaustive of the criteria to be utilized by the District, the District intends to use the following evaluation criteria in selecting a firm to assist with the updated Facilities Master Plan. The evaluation criteria are as follows:

3.1. Timeliness and Completeness of Proposal
To receive maximum consideration, the firm’s PROPOSAL must be received by the Response Deadline. In addition, the firm’s PROPOSAL will be evaluated with respect to organization, clarity, completeness, and responsiveness to this RFP.

3.2. Technical Qualifications and Competence
This includes experience, expertise, and familiarity with applicable laws and requirements for school facility projects in general and Facilities Master Planning in particular. Record of Past Performance
This includes work quality, completion of work on schedule, cost controls, contracts held with other K-12 school districts over the last 5 years as well as the response of references provided by the firm or any other references identified by the District.

3.3. Approach to Work
This includes project management and coordination methodologies, prioritization analysis and study approaches and ability to work cohesively with various stakeholders involved in long-term planning efforts.

3.4. Fees
This includes total fee amount proposed by the firm, any additional costs for sub-contractors required for completion of Facilities Master Plan and the firm’s policies respecting the pass-through to the District of overhead costs.

The District reserves the right to request that some or all of the respondents submit additional written information and/or that they consent to be interviewed by selected District personnel and/or representatives.

The District also reserves the right to: (i) extend the Response Deadline, (ii) send out additional RFPs, (iii) reject any and all submittals, and/or (iv) provide for mechanisms for the firms to become Pre-Qualified to provide architectural services for the District. The District is not obligated to explain any deficiencies in their proposal, nor accept requests for justification from firms not selected.

4. POLICIES APPLICABLE TO CONTRACT AWARDS
Acceptance by the District of any proposals submitted pursuant to this RFP shall not constitute any implied intent to enter into a contract for the firms services. All work to be performed under any awarded contract must conform to the requirements of the District and, if applicable, the CDE and all other governmental agencies with jurisdiction.

5. QUESTIONS REGARDING RFP PROCESS
Please call or email Frank Jerome at (209)599-2131 or fjerome@riponusd.net if you have any questions. All questions must be submitted one (1) week prior to the Responses deadline.

Interested firms should submit five (5) hard copies and one (1) electronic copy on a CD or flash drive in PDF format of the Response by April 17, 2020 at 2:00 PM to:
The District thanks you for your interest in providing services to the District and invites your Response hereto in accordance with the terms of this RFP.
