## Harvest of the MONTH

### Strawberries

-Strawberries come from a plant called 'fragaria'.

-When ripe, strawberries are bright red, juicy and very sweet.

-Strawberries have lots of vitamin C.

-Strawberries can be eaten raw, frozen or cooked.

-Florida produces the second most amount of strawberries in the US. California is first.

*Fresh and/ or canned Fruit and Vegetables are available every day. A variety choice of white or chocolate milk is offered.*  
The USDA and the CDE are Equal opportunity providers and employers. Menu subject to change
