Colony Oak Elementary School Accountability Report Card Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Colony Oak School is located in the Ripon Unified School District. The school services a small, middle class, tightly-knit community in San Joaquin County. The present enrollment of Colony Oak School is 445 students. Colony Oak offers Resource, Speech, and ELD for children with special needs. Fourth through eighth graders are provided with an itinerant PE teacher. Instrumental music instruction is available to students beginning at the fifth grade level. School facilities include a computer lab with media resources, internet and video access in every room, a fully supplied science lab, and a staffed school library. Colony Oak is a STEAM (Science Technology Engineering, Arts, and Math) Focus school. Our curriculum emphasizes STEAM and each year students are involved in, in-depth inquiry-based learning activities which explore areas of STEAM. Students at Colony Oak School are guided by specific rules and expectations that promote respect, cooperation, courtesy, and acceptance of others. With these goals in mind, each classroom teacher annually submits a behavior plan to the site administrator. Students learn self-discipline through a system of consistent rewards and consequences. Most Colony Oak students are bused to school. The student ethnic composition based on the CBEDS is approximately 60% White, 28% Hispanic, 1% African American, 8% Asian, 8% multiple, and 1% other. Colony Oak School in partnership with our diverse community is dedicated to all students achieving their academic and personal potential. Staff is committed to recognizing and nurturing the talents of each child. Our work includes being flexible and sensitive to the needs and abilities of all children. Our success will be measured by the degree that we help each child develop a positive self-image and a sense of well-being. The staff will continue to evaluate and implement current research and practice as it relates to our student population. Parents and community members are encouraged to participate through Parent /Faculty Club, School Site Council, English Learners Advisory Committee (ELAC), and various classroom and school activities. Student Competence in basic skills is determined by student progress and performance on daily work, as well as formative and statewide assessments. Our school works to build skills of social responsibility, valuing high standards of personal health and hygiene, leadership skills to participate in a democracy, career readiness, economic principles and a work ethic to participate in a capitalistic system. Self-discipline, self-direction and appreciation for cause and effect relationships are foundational concepts at Colony Oak School. The mission of Colony Oak Elementary is to build our youth for their future. We build on a positive school culture by fostering collegiality and involving all our stake-holders. We promote student excellence through effort, encouragement, and high expectations. We enhance student learning through the use of technology. We challenge our students with inquiry-based learning that is both rigorous and engaging. We establish strong foundational skills, as we integrate a broad exposure to the fields of science, technology, engineering, arts, and math (STEAM).

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
Subject	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	58.0	58.0	59.0	61.84	48.0	50.0
Mathematics (grades 3-8 and 11)	46.0	53.0	42.0	50.98	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Students with Disabilities	35	29	82.86	18.51

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are important and necessary in order for the learning team to be complete! You are the first and most important teacher your child will ever have! It is a tremendous responsibility, but as a team working together, we can be successful. Parents are encouraged to become members of the Parent Faculty Club (PFC). We encourage you to attend PFC meetings and become involved in student activities and events that are offered at Colony Oak. Encourage your children to participate as well. Activities enhance the educational experience for students. Volunteer your time or any ideas you would like to share. We need your input! Information is continually updated on the school web page. The school encourages involvement and communicates with parents through the web site, robo call, emails, Instagram, Remind, Dojo, and more.

Other opportunities for parents to become involved at Colony Oak are:

School Site Council (SSC)

English Learner Advisory Council (ELAC)

Parent Advisory Committee (PAC)

Classroom Volunteer (see your child's teacher or the office secretary for details)

After school sports volunteer

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2018-19)

Procedures are in place for students and staff at Colony Oak to follow in case of an emergency event or natural disaster. Fire drills are conducted monthly and containment preparedness drills and disaster drills are conducted periodically throughout the school year. The following procedures keep students from Colony Oak in a safe school environment before, during, and after school... Before school supervision is provided by two staff members starting at 7:45 in the morning. Supervision at recess and cafeteria is given by one to four staff members depending on the number of students. Staff members also provide supervision when parents pick up their children and for those who are bus riders. Visitors and parents are required to register in the office before entering the grounds of the school or classroom. The comprehensive plan for school safety is available from the school office for review. The safety plan was reviewed by staff, Site Council, and ELAC. The latest revisions and updates for the safety plan were made on December 6, 2018.
