**Minutes**

Introductions: Kathy Coleman DO, Suzette Sousa HH/DO, Renee Roberts DO, Kim Camara RA, Regina Lackey WE, Amie Walker WE, Belinda Williamson HH, Brad Wall RE, Eva Matthews PV

**1. LCAP:**

- a. Kathy discussed the actions breaking down the elements of each goal and the action that goes with it.
- b. Please see handout for further detail.

**2. Student Survey:**

- a. 1,016 students took the survey. Participation is up this year compared to previous years.
- b. Parent recommendation: Students should take the survey at the end of the year due to an inability to judge a new teacher/class so early in the year.
- c. Please see the handout for more information on the results of the survey

**3. Parent Survey:**

- a. 241 parent/community members took the survey. Small jump in participation from last year.
- b. Parent recommends this survey be given at the end of the year as well, so parents/community members can give an accurate answer based on the experience from the current year.
- c. Please review the handout for more information on the results of the survey

**4. Teacher and Staff Survey**

- a. 130 teachers/staff took the survey, 25 more than last year.
- b. Please review the handout for more information on the results of the survey

**5. CA Dashboard - Local indicators 2018 - PowerPoint Summary**

- a. Priority 1- Kathy discussed the definition of A. B. and C. A= Appropriately Assigned Teachers. B= Access to Curriculum-Aligned Instructional Materials. C= Safe, Clean and Functional School facilities. We were 100% in all three, with the exception of C because Colony Oak is under construction.

**6. Implementation of State Academic Standards Priority 2:**

- a. Standard has been met. However we need to focus on NGSS and History-Social Science.
- b. Option 2: Reflection Tool: ELD was dropped to a 3 from a 4 because we have new teachers who haven't been trained in the ELD Standards.
- c. NGSS Standards went up from a 2 to a 3
- d. Please see handout for further detail on Priority 2.

**7. Parent Engagement Priority 3**

- a. LCAP Survey Findings: parents want more STEM/Tech opportunities at all schools with a focus on more Chromebooks and tech advancement at the high school level.
- b. Standard met
- c. Please see handout to review all of the details that will be uploaded to the state.

**8. School Climate Priority 6**

- a. LCAP survey: 5 key questions on the survey with results showing a strong sense of our students feeling safe.
- b. Standard has been met. Please see the handout for more detailed information.

**9. Access to a Broad Course of Study Priority 7**

- a. TK/K-8 have access to a broad course of study in their classroom as demonstrated on the master schedule and verified by CALPADS.
- b. Standard met. Please review handout for more detailed information.

**10. Recommendations/Round table:**

- a. Members would like to see more technology implemented in the high school. There is a growing concern that students will not be prepared for what is out in the “real world” due to the lack of technological accessibility.
  - i. Requesting the high school staff to come to next meeting to discuss google and other sites that are accessible to parents. Or, host a parent information night or discuss it at back to school night.
    - 1. Kathy will discuss this at the next Admin meeting
  - ii. Get the high school staff to a meeting to discuss the apprenticeship program.
    - 1. Kathy will discuss this with Mr. Rangel and high school staff.
  - iii. 3 tiered will be removed from MTSS throughout the LCAP.

**11. Upcoming:**
